

Installation plate for xCR-SD G2

Accessories

The card readers BCR-SD G2/SCR-SD G2 is best suited for wall mounting. A mounting frame is recommended if the mounting surface is uneven or if the installation is made on a metal surface.

Art nr: 44280270 Installation plate for xCR-SD G2

Performance

The BCR-SD G2/SCR-SD G2 is best suited for wall mounting. If the mounting surface is uneven, it is recommended that a mounting frame is being used.

The installation plate is strongly recommended when the card reader is installed on metal surface. This will minimize problems with low reading distance caused by interfering with metal surface

The installation plate can also be used as a distance for external mounting where cables are pulled forward to the card reader.

Technical data

Dimensions (l/w/h)	123.5 x 88 x 9 mm
Weight	23 g
Operating temperature	-40°C to +70°C
Color	NCS 6502-B
Material	UV-resistant ABS

Article number
